🌊 Understanding Seabourn cruises Ship Communication

Unlike hotels or resorts on land, Seabourn cruises ships operate in international waters and often rely on satellite technology for internet and communication services. 🛰️🚢

This means that communication methods may include:

- 📱 Mobile messaging
- 📧 Email
- 🌐 Internet access
- 📞 Phone services
- 👥 Face-to-face meetings
- 📍 Shipboard messaging systems

Because connectivity can vary depending on location and weather conditions, it is always helpful to plan ahead before sailing. 😊
